Easy to use online software to manage your machines anytime, from anywhere.

iDEX PocketProbe
Small, rugged handheld gives tamper-proof DEX files with easy, one button operation.

This is a Program Coupon as noted in the [Fastcorp Cold Hard Cash II Rebate Program](#). Program Coupons must have the machine serial number and corresponding activation code information to be valid. To secure an activation code for your machine serial number, please call your local Fastcorp Sales Representative or fill out the on-line registration form on the Fastcorp website- www.fastcorp vending.com, and a Fastcorp Sales Representative will contact you. To redeem your coupons, please send: (1) a Fastcorp proof of purchase if purchased and installed by Fastcorp, or a copy of your iDEX invoice if purchased directly from In One Technology, and (2) this complete & validated form/coupon to: [\(In One Technology, Greg Hasslinger, 116 Lakefront Drive, Hunt Valley, MD 21030\)](#)

Offer applies to the [In One Technology iDEX Remote Monitoring System](#). All Rebate claims must be received by [In One Technology](#) by the August 15, 2008 Program expiration date, after which this offer expires.

This coupon only applies to the validation code & serial number of the machine below. This Rebate cannot be combined with other [In One Technology](#) rebates, promotions or special pricing.

Non-transferable. Food distributor invoice and activation code registration information must match the information entered below unless special arrangements have been made with Fastcorp (e.g. purchasing cooperative groups).
