\$50.00 COUPON

Cold Hard Cash 4 Rebate Program

\$50 Rebate with Purchase of an InOne Technology Cashless/Remote Monitoring System & a Fastcorp Frozen Food Vendor

InOne Cashless/Remote Monitoring Equipment
Designed with flexibility in mind, we offer black or high visibility yellow swipes or you can use the Coinco & MEI card readers.

InVision Management Software
Easy to use online software to manage your machines anytime, from anywhere.

This is a Program Coupon as noted in the Fastcorp Cold Hard Cash 4 Rebate Program. This coupon must be completed in its entirety with machine serial number and corresponding activation code to be valid. To secure an activation code for your machine serial number, please go to <http://www.fastcorp vending.com/SALES-CHC.htm> and fill out the on-line registration form and the activation codes will e-mailed to the designated account. To redeem your coupons, please send: (1) proof of purchase dated between Sept. 15, 2009 and Sept 14, 2010, clearly stating the price paid, along with (2) this complete & validated coupon to:

(InOne Technology, Greg Hasslinger, 116 Lakefront Drive, Hunt Valley, MD 21030)

Offer applies to the **InOne Cashless/Remote Monitoring System**. All Rebate claims must be received by **InOne Technology** by the Sept. 14, 2010 Program expiration date, after which this offer expires.

This coupon only applies to the validation code & serial number of the machine below. This Rebate cannot be combined with other **InOne Technology** rebates, promotions or special pricing.

Non-transferable. Food distributor invoice and activation code registration information must match the information entered below unless special arrangements have been made with Fastcorp (e.g. purchasing cooperative groups).
