

# One Stop Vending

---

Dear Fastcorp,

With higher prices being forced upon us by the product manufacturers, ice cream seems to be the only product that vending operators can sell that gives us 3-4 times earnings. This is unheard of in all other parts of our portfolio. In addition we are able to provide food to our clients without the continual cost of waste.

The quality of the Fastcorp frozen machines has allowed us to take our company in another direction and offer our clients a complete vending package.
